

Dear Ms. Rowe,

Representative Skillicorn appreciates the information you have presented and continues to bring attention to the serious problems occurring at Illinois' DCFS. Regrettably he is unable to directly intervene in this matter as jurisdiction lies with either the State's Attorney's office of Kane County, Joseph McMahon (<http://saopublic.co.kane.il.us/>) or the Office of Illinois Attorney General (<http://www.illinoisattorneygeneral.gov/>). Either of these offices would be the best avenue to address these serious allegations.

Sincerely,

Julie Schmidt

District Director

State Representative Allen Skillicorn
